## About me

---

As a undergraduate student majoring in Information Systems at Telkom University, I have a profound passion for understanding and mastering data analysis. I believe that with these skills, I will be able to make a valuable contribution to the world of business and technology. Furthermore, I also aspire to be an innovative and influential entrepreneur, combining my technological knowledge with a strong business vision. With an unwavering commitment to continuous learning, I am determined to continuously develop myself and achieve these goals.
